- Please be informed that in order to make the assessments more valid and reliable, while considering the pressure it might give to the students, for Quarter 2, Cycle 2,
 - Quarter 2 - Cycle 2 Assessments will be from 6 January until 14 January

- To enhance and boost the academic subject knowledge, we will be arranging **Support Lessons** from the 5th until 16th January 2025(Phase 1). This support plan will be executed throughout this year. At the moment, I am sharing the plan for the first 2 weeks of January 2025. This plan is exclusively for students who got D grade in the Q 1 subject tests and students who want some

additional learning support. Please make sure you are utilising the opportunity. More details are in this letter : [CLICK](#)

- Parents of Grade 7 & 10, Please be informed that as per Ministry Regulation grade 7 & 10 students need to do a comprehensive Medical check-up. Attached is a letter with this subject: [CLICK](#) . All the students need to submit the report to school after the check-up & submit before 15th of Jan 2024.
- A request to all parents : Please do not encourage students to return home early on study days especially on Thursdays since they will miss the lesson contents and will face challenges to bridge the gap later on. Needless to say, it affects the flow of the lessons as well.
